

conker
Cup with Lander off - soup first & tea spoon
Men bit full of food - all together - bread on top -
~~coffee~~ cup taken & washed returned with coffee
maybe midafternoon - chor. at night.

Men had pkg of food wrapped up at back of cell
Rotating schedule of bath weekly shower -

strip & stand in corner - search
everything - it has to put back in order - at
least weekly - some 3 or 4 times week -

One sent to court - taken off after - guard
takes away again - class & lounging clothes -
Join belts, & soup & tea - also taken away
in evening - Goering take philosophically
Neurath takes pretty hard - Took 2 whs to
get them each 2-4" pieces string to tie tops
of shoes - weighed weekly & maintained av.
wt - except H 9 - Renee Juchli Lt Col
chf med off about 2 months
#

Men never let down - Goering true to true - Bit on chair Donal-
Blaicher - Joll, ~~Doornik~~ Baeder - stiff - Daenitz - Keitel
friendly - consensus of Keitel, Goering etc - That
Med staff had taught them to respect com. more than
any other experience. Keitel note better case than
he had ever in German Army.

Obergruppenfuhrer They disliked Colonel
